

City of Irvine Public Participation Kit

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. The population of each of the 6 districts must be close to 51,326, with no more than a 5,133 difference between the largest and smallest.

An online version of this map that allows you to zoom in and out for more detail is available as a link from the City website.

Please use a thick dark-colored pen to draw your map, then submit it at City Hall or by email to districting@cityofirvine.org. You can hand-deliver, mail, fax, scan and email, or photograph and email your map.
